

HEALTH — OPHTHALMOLOGIST, OPTOMETRIST

## Readers trust their vision to Envision Eye Care

Envision Eye Care and Eyewear Gallery has captured first place in the Ophthalmologist and Optometrist category in this year's Readers' Choice competition.

"We pride ourselves on the amount of time we devote to each patient and the thoroughness of our eye health exams," owner Christina Mummert, O.D., said. "We try to ensure you get the best experience by listening to you, helping you choose and select the best product and offering the best service."

Mummert grew up in Farmington Hills, Mich., and is a graduate of the Michigan College of Optometry at Ferris State. Her 12-year career includes practices in Grand Rapids, Michigan, New Haven and Berne, where she serves

Patient eye health is the number one priority of Dr. Christina Mummert, left, and Dr. Susan Goode.

one day a week as associate to an optometrist.

Mummert opened the Fort Wayne office August 2011. Fort Wayne native Susan Goode, O.D., joined as associate the following month, bringing 11 years' experience to the team, which now numbers four.

The knowledgeable and friendly staff offers the

latest products and designs to help determine each patient's specific needs.

"Staff can educate patients on the proper lens design for their prescription because there truly is a difference in lens brands and designs," Mummert said. "We may not get them to you within an hour, but they will be of

superior quality and accurately made by a local lab."

High quality personalized, primary care, using state-of-the-art technology, is available for patients of all ages. This includes comprehensive eye health exams, diagnosis and treatment of eye diseases, pre- and postoperative care, LASIK evaluations, contact lenses, fashionable and functional sports safety eyewear and more.

The Eyewear Gallery offers a wide selection of frames, among them Ray

Ban, Nike, Jimmy Choo, Kate Spade and Juice Couture. All carry a two-year frame and lens warranty.

Envision Eye Care also offers spectacle packages and brand-name digital lenses. Lenses are personalized and based on prescription and frame, maximizing high definition vision while minimizing distortion.

"Thank you for trusting us with your eye health needs, which is our number one priority, and for voting us number one," Mummert said.
